REMARKS

In the September 20, 2004 Notice of Drawing Inconsistency with Specification the Examiner states that an inconsistency exists between the drawings and the Brief Description of the Drawings in the specification. Specifically, the Examiner states that Figures 1A and 1B are listed in the Brief Description of the Drawings in the specification but not contained in the Drawings. Furthermore, the Examiner states that Figure 1 is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification. A copy of the Notice is attached hereto as **Exhibit A.**

In response, applicants have amended the application herein by replacing Figure 1 with corrected Figures 1A and 1B. Corrected Figures 1A and 1B are annexed as **Exhibit B.**

Applicants maintain that the corrected Figures fully address any drawing inconsistencies with the specification as set forth by the Examiner in the September 20, 2004 Notice of Drawing Inconsistency with Specification.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorneys invite the Examiner to telephone them at the number provided below.
